To: Steve Waterman <k4cjx@comcast.net>

Good morning Mr. Waterman,

Wanted to let you know that I did send this information out to ALL AFMARS. Since they would be participating using their Amateur Call Sign, I don't have any way to track who participated from our organization. Hopefully, several did take advantage of the opportunity.

Looking at the HEATMAP it appears you had over 1.5K responses. PreNy impressive. My report is the one lonely report from St. Clair County Illinois.

V/r, Dave
