ALL,

On October 19, 2023, FEMA R4 RECCWG, in collaboration with USGS, CUSEC and the Winlink/CISA SHARES/amateur radio communities, participated in the "SHAKEOUT 2023 Did You Feel It" (DYFI) exercise. Participants from across the nation joined in through State ESF2, SWICs, FEMA Region 1 - 10 RECCWG, but the enthusiasm didn't end there. The exercise achieved such remarkable success that it garnered global participation, elevating it to an exceptional event. I've attached the link for further insights.
